S - Smith 11-02 Wild Country • D - Poppen 466 • B - 1/20/13 Twin

What a day for Montadales! This tremendous ram was a standout in the Supreme line-up at Sedalia. Sired by the 2012 National Champion Ram he goes back to Crowned Up and K.B. Jr. on his sire's side. His dam is by Moore S5-24 a son of Weston Farm R637R. His maternal grandmother is by Ryan A8303 a son of Dosch Locomotion. And there is some Kuykendall on both sides of his pedigree!

Attention Junior Exhibitors:

Check in with Nann Green, our Junior Coordinator. She is planning a little get-together for Junior Montadale members some time during the week-end . . . and it possibly involves a trip to the Food Court! Look for information about this at the Montadale display.

Montadale breeders who come to Louisville will have an opportunity to meet Kay Stadel, the new breed representative for the Montadales.

The transition of the Montadale office is underway and Kay will be assuming those duties at the beginning of 2015.

Kay is a former Suffolk and Southdown breeder, but I think we have her hooked! I am confident the office is being turned over to good hands.

It's been a pleasure to have been part of the Montadale organization for almost 40 years. Never did I think I would travel to so many states and meet so many friends from different parts of the Country.

And, I will continue to be able to visit with all these sheep friends as our Heartland Livestock group will be managing the 2015 Midwest Stud Ram Sale.

See you in Louisville
